

Private car parking fines

by Consumer Action - Thursday, November 10, 2016

<http://help.consumeraction.org.au/private-car-parking-fines/>

Warning: This page is no longer current and will not be updated.

Private car parks cannot 'fine' Victorians.

As of 26 August 2015, there are restrictions on private car park operators in Victoria accessing your name and address from the VicRoads registration database. Without your name and address, they will not be able to issue demands for payment.

For more information see: <http://www.premier.vic.gov.au/crackdown-on-private-carpark-operators/>
